Home & Garden

Kitchen Tours Back by Popular Demand!

The Virginia Highlands Festival Home & Garden Committee will once again offer the ever-popular kitchen tours July 30-31. Participants will board tour buses at the Abingdon High School Stadium parking lot at 5 p.m. for the Twilight Tour, and at noon for Friday's Day Tour.

- Thursday's **Kitchen Twilight Tour** will showcase six homes with light refreshments at one stop. Among the featured homes will be a Tuscan-style kitchen using an unusual mix of woods and earthy flavor, one of Abingdon's historic homes remodeled within the home's period style, and an outdoor kitchen – a new feature for the tour this year.

- Friday's **Kitchen Day Tour** will feature five of the above kitchens.

Attendees are urged to buy tickets early for each event as both are traditionally sell-outs every year. Only 60 tickets will be sold for the Twilight Tour; cost is \$35. The Day Tour can accommodate 125 participants and tickets are \$15. Tickets to Home & Garden events will be available at the Festival Office, 120 N. Court Street, and the Abingdon Convention & Visitors Bureau, 335 Cummings Street. 🌿
